

DONOR APPRECIATION

We wish to acknowledge the many generous corporate and local merchants and individuals who have graciously supported this event. Many of the baskets raffled off this evening would not have been possible without their contributions of gift certificates, merchandise, and monetary donations. Their support is greatly appreciated!

We kindly request that when you patronize these merchants, you let them know that you attended this event and that you appreciate their support. The committee sends thank you notes to the merchants, but the best and most memorable acknowledgement of their generosity comes from you, their customers. **Thank you!**
