Dear Fran,

In case you missed the announcement in our Marketing Minute email, Give Back Greetings is having an exciting promotion.

With the **Chromebook Challenge**, we will be tabulating the number of orders placed from September 15 through December 31, 2017 and the ten registered Schools and Nonprofits with the most orders during that time period win.

Grand Prize: 25 HP Chromebook Laptop Computers
or a \$3,000 bonus check
1st Runner Up: \$500 bonus check
2nd Runner Up: \$250 bonus check
6 Honorable Mentions: \$50 bonus check

And that's IN ADDITION to the 10% back you receive on each order!

Based on this same time period in 2016, you'll need only 20-30 school families to place orders for personalized cards to have a shot at winning one of the top three prizes. And, with the holidays coming up, the vast majority of your school families will soon be ordering holiday cards... so you have a great opportunity to win.

Check your standings at www.givebackgreetings.com/leader-board, and be sure to tell your school families about the 10% back and the Chromebook Challenge. If you have any questions, please don't hesitate to reach out to me at spink@givebackgreetings.com or 908-854-4655.

Happy Fundraising!
