

June 12, 2022 Bulletin Letter

Dear Friends,

As we draw to the end of the school year, our Saint Bartholomew School Community bids a fond farewell to Mrs. Ann Wierzbicki, who has been the school principal for the past nine years. Ann has served the school over the past twenty four years. Ann with her husband Bob, are dedicated members of our parish and their children are graduates of the school. Ann was a beloved Second Grade teacher for a number years and then assumed the position of principal nine years ago. She has been an exceptional educator and leader of our school family and will be dearly missed. We wish her all the best on her retirement.

It is my distinct pleasure to announce that Mrs. Theresa Craig has accepted the position of Saint Bartholomew School principal beginning July 1st. Mrs. Craig has a rich background in both public and Catholic school education. Presently, she has been a principal of a Catholic School in the Diocese of Trenton. Please welcome Theresa to our wonderful family of Saint Bartholomew parish and school.

Blessings for a very happy and restful summer. Whether you are going on vacation or planning a “staycation” may the days of summer renew your spirit!

Blessings,
Father Tom
