

Thank you so much to all who have already agreed to donate their time and auction items!

***We are still in need of more hands to help run the games!*** What better way to spend the day that we celebrate how much we love one another than to watch the children having a ton of fun while raising money for those less fortunate.

If you are able, please consider coming in to help us out during the morning session (Kindergarten thru 4th grade), the afternoon session (5th thru 8th grade), or all day (Lunch will be provided – including some famous cookies)!

Thank you again for your help!

**P.S. We could still use more items for the Auction Table. Please drop off any items on the bench outside the office!**
