Dear Parents and Guardians,

At St. Bartholomew School, we link faith-based values with academic excellence. This is evident throughout our school and in our classrooms. We have dedicated Art and Music rooms, state-of-the-art Technology Center, newly-renovated Gym and Science Lab so that we offer the finest education in all areas. Our students participate in STREAM projects in technology, math, science, art, and literature classes. Please see the newsletter for pictures of the active inquiry learning students engage in at all levels. Our students participated this past week in a school-wide reading period as we celebrated Read Across America. Pictures of our younger students participating in literacy events may also be found in our newsletter. We are very proud that our early child education was voted *Best in Middlesex County!*

Congratulations to three of our students whose *Keep Christ in Christmas* posters were voted winners at the state level. Samantha Bell and Joey Peters won first place and Juliana Roncancio won second place. We are proud of them!

Gertrude Hawk candy delivery is expected on March 6. Please join us March 6 from 4:00-8:00 pm at Panera in East Brunswick to support our Drama. The flyer is in the Communication Envelope and must be brought to Panera.

See our scientists at work on Wednesday, March 7, from 7:00-8:00 pm. This is mandatory for students in Grades 5-8. Prepare to be amazed!

On March 12, the George Street Playhouse will perform *Austin the Unstoppable* at our school for students in Grades 3-8. Students in Grade 8 will attend Teen Outreach on March 13.

Welcome home, Astronaut Vande Hei! Please see our website for links about his travel to the International Space Station.

Please see the website for our Activities Calendar. The Principal's Book Club will meet Wednesday from 2:00-3:00 pm. Information about the next session will be coming soon.

Have a blessed week.

God bless you,
Mrs. Ann Wierzbicki, R.N., M.A.E./Ed.S.
