Dear Parents and Guardians,

Thank you to our HSA and parent/guardian volunteers for the hard work on the Race for Education and a special thank you to the families for the many generous donations for Teacher Appreciation Week. We enjoyed a wonderful week celebrating our amazing teachers and staff. They are the BEST!

MAP Testing is in progress, with the vast majority of the students having completed all of the testing. Scores are used to determine eligibility for extra help in the areas of reading, language, and math. The scores for the year will be sent home with report cards in June.

The next school-wide event will be Field Day which is scheduled for June 5. Please check Mrs. Dudra's website for information. Mrs. Dudra is in need of many volunteers to ensure the success of our annual Field Day.

It seems that clarification is needed on the pants issue in church. Formal uniforms are still required on Mass days which is most often on Fridays. **Shorts are not part of the formal uniform and should not be worn to Mass.** Additionally, many students are wearing athletic support shorts under their gym shorts. While that's generally not a problem, the shorts that are neon or random patterns don't fit the uniform code. Please have your child wear solid black, navy, white, or green athletic support shorts under their gym shorts if they prefer to wear these types of undergarments.

In the past few weeks, a number of families have contacted the office to inquire about summer tutoring. I've collected the names and email addresses of SBS teachers who are available for summer tutoring. Feel free to contact them if you are interested.
