Dear Parents and Guardians:

I trust this message finds you well. As we continue to strive for excellence in providing a nurturing and enriching educational and spiritual environment for our students at St. Bartholomew School please be assured that your feedback is invaluable to us. In our commitment to continuous improvement, we are conducting a brief parent survey to gather your feedback.

Your input will play a crucial role in the future of our school and enhancing the overall experience for both your child and family. We believe that the collaboration between parents and the school is essential for the holistic development of our students.

The survey covers various aspects of our school, including academic programs, spiritual development, extracurricular activities, communication, and overall satisfaction. Your honest and thoughtful responses will enable us to identify areas of strength and areas that may require improvement.

Please take a few moments to complete the survey by clicking on the following link:

Thank you in advance for your time and dedication to St. Bartholomew School. We appreciate your commitment to the success of our students and the growth of our school community.
