Dear Parents and Guardians,

Congratulations to all of the students and teachers on an amazing school year. We have all grown in knowledge and God's grace. Thank you to Fr. Tom, Fr. Tim, the teachers, staff, and multitude of volunteers who have helped to make this school year so successful.

Please be reminded that PreK and Kindergarten classes end a few days prior to the rest of the school. Students who are typically dismissed in "preschool siblings" will still be dismissed at door 13. The dismissal routine will not change for this school year.

MAP Test reports have been made available to us. Scores are used to determine eligibility for extra help in the areas of reading, language, and math. We continue to analyze the scores and make recommendations for students whose parents/guardians may want them to have extra help in the areas of reading, language, and/or math. If your child is currently eligible for services, please sign and return the 407-1 promptly so as to assure that we are ready to go in the fall.

Report cards and MAP Test Family Reports will be sent home to you with your student on Tuesday, June 11. Please check your child's backpack for this important information. If for some reason they do not get home, please contact your child's teacher.

Even while we relax and enjoy the slower pace of summer, we need students to continue to practice their skills. To that end, teachers will be posting summer work on their websites and also sending home a hard copy of the assignments with each child. The school office will move to summer hours beginning June 17. The office will be open Monday through Thursday from 9:00 am - 2:00 pm.

Thank you for your continued support of Catholic Education and our wonderful school.

Wishing you a wonderful summer! We'll see you in September!

Mrs. Theresa Craig, M.Ed.  
Principal
