February 18, 2025

Dear Parents and Guardians,

What a busy few weeks we've had with more excitement and learning on the way! Our second asynchronous learning day, and some school holidays followed by celebrations of Valentine's Day and MAP Testing have kept our teachers and students occupied. Add in the Mission Fair that is on Thursday this week and it's been a great February so far. The children were so excited to share valentines and special treats with their classmates and friends.

One of everyone's favorite traditions at St. Bart's is the Mission Fair. I am always amazed by the positive energy and enthusiasm of all of the children and volunteers. The students patiently take turns, cheer for their friends, enjoy many different games, and make their teachers and principal very proud of them. Many, many thanks (in advance) to the HSA executive board and the Mission Fair committee for their hours of hard work in the planning and execution of this event, and to the families who support the event by sending in donations. Many thanks to the volunteers who will take time out of their busy schedules to join us in a fun-raiser and a fundraiser to support the missions of our diocese. What a great event!

As you know, MAP testing is in process for all students in grades 1-8. We will complete testing this week. **In a change to our procedure, we will be printing and sending home the family report for all students in grades 1-8.** The reports that we need are not available to us until the diocese closes the testing window. I expect that to be on February 21. It is our plan to have the reports home to families by the end of February.

If you have any questions about the scores, please direct those first to your child's teacher and then if you have additional questions, please direct them to me.

We continue the process of re-enrollment. If you haven't already done so, please return your child's re-registration paperwork. If your family is missing any portion of the paperwork, please make it a priority to get it to the office. Thank you for your support and cooperation.

Wishing you a fantastic week,

Mrs. Theresa Craig, M.Ed.
Principal

*The mission of St. Bartholomew School is to love, educate and inspire
our children to live the teachings of Jesus Christ.*
