Principal

March 13, 2020

Dear Parents and Guardians,

There have been no reported or suspected cases of COVID-19 at St. Bartholomew School. There has been a confirmed positive case in East Brunswick, so we have been mandated to close. St. Bartholomew School will be closed from March 16 through March 22 and we will reassess continued closure at that time. We have taken proactive steps and are prepared for distance learning.

Parents/guardians should come to school on Monday, March 16, between 7:00 am and 10:00 am to pick up books, materials, and instructions specific to the grade level of your child. Our entire plant has again been thoroughly cleaned and disinfected. Hand hygiene is important, so please ensure hands are clean before entering the building and do not enter if you are ill. Shamrock cookie orders may be picked up during this time.

On our website is posted information about COVID-19 titled, "Talking to Children About COVID-19 (Coronavirus): A Parent Resource." Specific guidelines are provided along with positive preventive measures so that we can reduce anxiety in our students.

Please refer to my previous letters about steps to prevent the spread of infection.

Thank you for your patience and support as the safety of our students and staff is my top priority. I am grateful to our teachers for their dedication to our students and for preparing for the learning to continue during this time. I will update you as needed.

God bless you,
Mrs. Ann Wierzbicki, R.N., M.A.E./Ed.S.
Principal

*The mission of St. Bartholomew School is to love, educate and inspire
our children to live the teachings of Jesus Christ.*
