Dear Parents and Guardians,

There have been no reported or suspected cases of COVID-19 at St. Bartholomew School. There has been a confirmed positive case in East Brunswick. In the event we are mandated to close for a period of time, we have taken proactive steps and are prepared for distance learning. Teachers have prepared lessons and are collaborating so that the learning may continue if needed. Instructions for each grade level will be provided. You will be notified via the Honeywell Instant Alert System if we are closing for a period of time and when you may pick up materials, books, and instructions.

On our website is posted information about COVID-19 titled, "Talking to Children About COVID-19 (Coronavirus): A Parent Resource." Specific guidelines are provided along with positive preventive measures so that we can reduce anxiety in our students.

Thank you for your patience and support as the safety of our students and staff is my top priority. I will update you as I receive information.

God bless you,
Mrs. Ann Wierzbicki, R.N., M.A.E./Ed.S.
Principal
