

Welcome to Second Grade!

Dear incoming second grade families,

We are so excited to welcome your child into second grade in September. Second grade is such a special year of growth and learning, in both education and spirituality. We look forward to getting to know your child and your families throughout the next school year.

Summer Reading -

Attached you will find two summer reading bingo boards- one for July and one for August. Students are encouraged to complete as many activities on the bingo board as they can (Remember having someone read to your child counts as reading too!). Students that complete both bingo boards and turn it in will receive a small prize from their teacher.

Supply List-

You will also find the supply list attached for second grade. Please make sure all personal items are labeled with your child's names. Dry erase markers, glue sticks, paper towels, ziplocks, and tissues will be collected and used as needed throughout the year. Everything else should be labeled.

IXL-

Math

Please complete the following IXL Math sections to review and refresh skills prior to second grade. These skills can be found under the **First Grade** tab in Math:

Addition and Subtraction Fluency: H.10; D.9

Money: R.1, R.4

Counting and Number Patterns: A.12, A.13, A.14

Time: V.2, V.3, V.4

Shapes: X.1

Fractions: Y.2

Language Arts

It is also recommended to continue to practice your child's newly learned language arts skills, especially those listed in First grade IXL Reading Foundations (letters A-S). We have also attached sight words for your child to review over the summer.
