3rd GRADE SUMMER READING

Dear Parents and Guardians,

Young children make incredible progress during each school year. This summer, we encourage you to continue to read with your child, not only to prevent the “summer slide,” but also to foster a lifelong love of reading. Research has shown that children learn to read by reading, and the more children read the better readers they become.

We are encouraging your child to select their own summer reading this year and complete the assignment below.

Enjoy your time together this summer and take advantage of the opportunities that summer provides to relax, explore, and refresh your spirits.

We look forward to learning with each of you in September.

Have a WONDERFUL summer!!

Sincerely,

The 3rd Grade Teachers
