

ST. BARTHOLOMEW HSA's

RELIGION SPOTLIGHT

Only a few days into the new year, Lord,
but my heart's already filled
with all the blessings and the burdens
a heart is meant to hold...

So here are my sorrows, Lord,
lifted up in prayer,
for your comfort and your healing...

And here are my joys, Lord,
lifted up in prayer
together with my thanks and praise...

And here are my needs, Lord,
lifted up in prayer:
please help me make it through this day...

And here, Lord, my family and my friends,
lifted up in prayer,
for your face to shine upon them...

And here's my world, Lord,
lifted up in prayer
for you to bless with grace and peace...

Only a few days into the new year, Lord,
and my heart's already filled
with burdens and with blessings:
so I lift my prayer to you
in whom I place my trust
and find my help and hope... Amen.
