

**I am excited to announce that
Drama registration is now open for the 2023-24 school year.**

All 6th through 8th graders are invited to join! More details about the 2023-24 production will be available within the next few weeks on my web page. In order to get an idea of how many students will be participating, please register through Faith Direct.

Drama rehearsals will take place on Friday afternoons from 2:00 to 4:30PM beginning in January, immediately following Christmas Break. The two weeks before our performance dates (May 17 and May 18) rehearsals will take place Monday – Friday after school until about 6:00PM each night. It is extremely important that students attend all scheduled rehearsals throughout their time in drama. We will perform two evening performances that are mandatory for all participants.

No experience is necessary! I am looking for singers, dancers, actors, and tech staff to be a part of this year's production. Auditions will be held in December and more information about audition materials will be given to the students in November. All students who audition will be a part of our production in some way; however, roles are determined based on the preparedness and talent shown during each audition.

The fee to join Drama is \$300 per student (both performers onstage and tech staff members), which is not refundable and may not be transferred to other departments. Registration and payment is done through the Faith Direct Link. This fee covers the licensing rights for the production, complete musical score, all costumes/sets/props, participation in the Master Class experience, and a cast t-shirt for all participants.

Thank you for your cooperation and I am looking forward to helping your students shine on stage!

God Bless,

 Patricia Kinnucane 

Music Teacher

Band, Chorus and Drama Director
