

# JUNIOR BUILDER SPRING SESSION PRE-K3 & PRE-K4

## Work Vehicles

Vroom vroom! Let's get to work! Children will love our exciting classes all about work vehicles and the people who operate them. Build a fire truck to rush to the rescue, a tractor to plow the fields, a bulldozer to push the soil at the construction site, and more! Children will practice using fine motor skills and make new friends, all while learning and playing. Build, sing and laugh along with us as we drive (and fly!) through the world of work vehicles!
