

St. Bartholomew School Latin Program

LATIN

Our Latin Enrichment Program has been a great success and will continue for our students in Grades 4 through 8 for the 2018-2019 school year. There will be two courses: Introductory Latin is an introduction to the Latin language, Roman history, and mythology course for new students and Latin 1 is for our students who completed Introductory Latin. Mrs. Terese Maligranda is the instructor. Some of the benefits of learning the language include a major improvement in vocabulary and grammar. Learning Latin requires abstract thinking, so students are more likely to be disciplined, have a strong basis for further learning, and be more creative toward intellectual pursuits. Furthermore, Latin and Roman culture are the foundation of Western Civilization.
