

# Art Club

Grades: Pre K-4, and K

Coordinator: Mrs. Jaorawala

Meeting Date/Time: Wednesday 2-3pm

Description: This class will focus on mixed media art. Mixed media art is a visual art form that uses a combination of two or more different materials or mediums in a single artwork. This can include both conventional art supplies like paint, paper, clay, and unconventional supplies like fabric or wood. Mixed media thrives on experimentation, layering, and blending different textures, colors, and forms to create unique, multidimensional compositions.
