

## ACTION ALERT

### Nonpublic Security Funding in FY 2017 Governor's Budget

**ISSUE:** Nonpublic schools, particularly religious schools, have experienced threats in recent years. An example is the recent attack at the school in Minneapolis, MN. The current funding of \$205.00 per pupil is not sufficient to provide security guards and other materials needed to adequately protect nonpublic school students. An increase to \$260.00 per pupil is necessary because of the ongoing threats to nonpublic schools, particularly those operated by religious organizations.

**ACTION:** Please use the link below to contact Governor Mikie Sherrill and ask her to increase state funding for nonpublic school security to \$260.00 per pupil, which is an increase of \$55.00 per pupil.
