Dear Parents and Guardians,

We are proud to have faithfully lived our mission, to love, educate, and inspire our children to live the teachings of Jesus Christ, for over 60 years. As you know, at St. Bartholomew School we provide students with a life-long foundation of faith in God, excellence in academics, and service to others as a way of life. A Catholic education encompasses the whole child - spiritually, socially, emotionally, physically, and intellectually. By means of our partnership with you, we are capable of helping all children meet with success. Pope Francis has called the school a “second home” for children, and Catholic Schools a place where our students can experience themselves as children of God. I encourage you to, in the words of Pope Francis, “be aware of the gift” Catholic schools “are able to offer to all.”

Attached are the following re-registration materials for the 2026-2027 school year:

- Family/Student Emergency Form. Sections of this form are prefilled with information that has been recorded in PowerSchool. Please review the prefilled information for correctness and insert all additional information, and sign and date the form.
- Bus Form (B6T) for students in Grades K-8. This form must be completed for all students in Grades K-8 regardless of whether they take a bus or not.
- Loan of Textbook Forms (Grades K-8)
- Nursing Services Form (All students)
- Scrip Information Form (Families of students in Grades K-8)

Please note that we must submit some of the documentation to the State by the first week of March; therefore, your forms must be submitted by **February 13**.

Thank you for your commitment to Catholic education at St. Bartholomew School.

God bless you,

Mrs. Theresa Craig, M.Ed.
